

TIBA PARADISE, NEW BUILDING IN THE NORTH OF HURGHADA

TIBA PARADISE, NEW BUILDING IN THE NORTH OF HURGHADA -

Tiba Paradise is located in the fast growing area of Al-Ahyaa, which has been recently designated for extensive touristic development, with many hotels under construction. It is located 15km north of the current border of Hurghada, with the luxury resort community of El Gouna, with its PGA Championship golf course and Abu Tig Marina located just 10km in the opposite direction.

Hurghada International Airport and the town's downtown area are both just 20 minutes away by taxi.

Locally, Tiba Heights benefits from an excellent location, just seven minutes walk from the main public beach in the area. A new shopping mall, which will be the largest in the Hurghada area, anchored by a Carrefour supermarket, is just 500m from here, together with many other planned tourist attractions including a sound and light show.

Tiba Paradise is the third one sister in "TIBA" family of resorts development to the incredibly successful Tiba Tower2 & Tiba Heights, which is located just a 60m from Tiba Towers 2project.

Tiba Paradise is located in the fast growing area of Al-Ahyaa, which has been recently designated for extensive touristic development, with many hotels under construction.If you missed out on a studio in the previous developments Tiba Towers 2 or Tiba Heights, then now is your chance!
