

FLORENZA KHAM SIN BEACH RESORT, NEW COMPLEX IN ARABIA DISTRICT

FLORENZA KHAM SIN BEACH RESORT, NEW COMPLEX IN ARABIA DISTRICT - Florenza Khamsin Beach Resort has its own private beach and marina with stunning views over the crystal clear red sea, towards the famous Giffen Island. The resort is perfect for those looking to enjoy an all year round beach lifestyle and indulge in the many water sports on offer.

Just 5 hours from European countries and 15 minutes from Hurghada International Airport, The Florenza Khamsin Beach Resort also offers a full complement of hotel-style amenities and services. The 12mth season, high occupancy rates and turnkey rental package offered by The Florenza Khamsin Beach will put this firmly at the top of any jet to let investors 'must have' list. The development consists of studios, one bed, two bed and three bed apartment suites. In the majority of Red Sea Resorts prime beach front locations are owned by hoteliers and are rarely set aside for residential development. With its own private beach, these apartments will always be at a premium whether you intend to rent your apartment or when you come to sell. The facilities planned for the Florenza Khamsin Beach Resort are nothing short of comprehensive with the full complement of hotel-style amenities and services. 4 swimming pools, shade and terraces, shops, restaurants and even a dive centre will provide maximum convenience to residents. The complex will also provide all year round services including (but not limited to) maintenance, gardening and laundry services.

The Red Sea Riviera has two seasons: a hot summer, which runs from May to October, followed by a mild winter for the remaining months. The warm climate makes the area a highly desirable location at any time of the year.

The Florenza Kamsin Beach Resort takes its name from the famous Saharan wind that blows across the desert for 50 days each year than the beautiful flower coming out after this wind.
